

Build your own religion

Students are to create a religion based on their personal beliefs. All beliefs must in line with proper school standards

Students may work in groups of 4 maximum

Students must choose to be mono or polytheistic along with a name (must explain)

Students are not to copy or use an existing religion

Students must make up a creation story and a place or origin in the world (Typed, 2 pages long)

The creation story must explain the creation of the ¹universe, ²the earth, ³humans, and ⁴animals

Students must also find a holy book (the book may be a book read by the students)

Students must create 5 symbols of their religion (must explain and provide a drawing/picture). Pictures must be school appropriate

Students must name their main gods/goddesses (must explain why they were chosen and why they are special to your religion) you must have at least 5 gods/goddesses total

Projects are to be completed by power point. Files needs to be saved (Last Name_Period_Religion Name). Students must email or submit through flash drive.
