

Modern Day Country Analysis

Students are to choose a pre-selected country. It will be first come first serve. Five days will be spent for research. Maximum of 3 per group.

Students are to complete the Modern Day Country Evaluation sheet. All sections are required to be filled. You must also do the following:

- Charts and Graphs need to be in color
- Turn in ABC-CLIO Political Map of Country for Lat/Long
- Refer to ABC-CLIO exclusively for Landforms and Climate
