

Russia Ethnicity Identification

WMAHS Library>Foreign Countries>Gale Virtual Reference Library>Nation and World>Cultures and Daily Life

Below are a list of ethnic groups found in Russia. With the help of the school library identify 7 groups. For each group, identify their specific social problems. Once the social problems are identified explain how the Russia government has reacted to these problems directly or indirectly. Also explain how this connects to the following Concepts: (Look at book pages)

TB 40-45 Mapping the 3 levels of Political Culture

TB 47-52 Political Socialization/Agents of Political Socialization

TB 57-60 Citizen Action/How Citizens Participate
